Registration fee of only EUR 150 payable for startups selected for the pitch competition to win the BioVaria Startup Award. Registration fee for startups eligible for a "Quick-Pitch" is EUR 250. Each ticket includes two-day BioVaria access for one delegate, participation in Startup Pitch & Partner, dedicated bar table in the startup exhibition area, company profile on biovaria.org and in the **BioVaria App** and conference booklet. Selected startups will receive more information on the event format and program.
