

BIOVARIA **MUNICH**

27 - 28 APRIL 2026

EUROPE'S LEADING SHOWCASING EVENT
FOR LIFE-SCIENCE TECHNOLOGIES

**Don't miss Europe's next top technologies.
Don't miss the future of biotech.**

BIOVARIA 2026 - BE A SPONSOR!

BioVaria targets technology scouts, business developers and investors highlighting commercially attractive licensing opportunities and promising startups from across Europe.

This unique event connects Europe's leading tech transfer professionals, innovators from academia and startups with investors and representatives of the global biotech and pharma industry.

Join us as a sponsor to

- be recognized as an organization committed to advancing innovation
- highlight your areas of interest for dealmaking and partnerships
- enhance your visibility among innovators from across Europe
- connect with peers and leading life-science investors
- shape the future of successful technology transfer
- support early stage startups
